*** Please Note: There Is No Easy Way to Prepare & Deliver HOT Grilled Sandwiches in Large Quantities And Still Preserve the Quality Found Immediately After Making Them. Our Hot Gourmet Sandwiches Are Intended to Be Eaten Immediately After Their Creation, and Are Best Served Piping Hot. We Recommend NOT Placing Orders for HOT Sandwiches, Unless You Have a Way to Reheat Them, There Is Really No Point in Doing So. They Can Be Delivered Cold, Though They Will NOT Taste the Same As When They Are Grilled, But...That May Be Fine For You! Our Cold Sandwiches Are Really the Best Way to Go!*
